List of Indices for IGI Global Scientific Publishing Open Access Journals

Our IGI Global Scientific Publishing open access journals are found in a number of prestigious indices, including Web of Science, Scopus, and EI Compendex, as well as abstracting services. Selection criteria is based on the amount of highly cited content found in the journal, as well as its practical relevance and contribution to the field of research.

Listing of influential indices and abstracting services recognizing IGI Global Scientific Publishing open access journals.

List includes 2023 and earlier titles. For more information on open access journals, please contact openaccessadmin@igi-global.com.
