

Examining Cultural Influences on Leadership Styles and Learning From Chinese Approaches to Management: Emerging Research and Opportunities

Part of the Advances in Logistics, Operations, and Management Science Book Series

Valerie Zhu (Xi'an University of Science and Technology, China)

Description:

For businesses to remain competitive, managers must continuously update their leadership methods. By attempting to learn from foreign experiences and approaches, managers can gain significant value in cross-cultural comparisons in the business realm.

Examining Cultural Influences on Leadership Styles and Learning From Chinese Approaches to Management: Emerging Research and Opportunities is an informative scholarly reference source that examines the cultural aspects of management styles and techniques. Highlighting relevant topics such as leadership development, value systems, validity tests, and organizational communication, this publication will benefit all academicians, professionals, practitioners, managers, and business owners that are interested in discovering a more inclusive way to hone their leadership skillsets.
