

Critical Examinations of School Violence and Disturbance in K-12 Education

Part of the Advances in Early Childhood and K-12 Education (AECKE) Book Series

Gordon A. Crews (Tiffin University, USA)

Description:

In recent years, a rise in incidents of juvenile delinquency and violence in American schools has led to increasing concern among school administrators, students, parents, and the general public. The frequency of these cases calls into question issues of safety, risk factors, and prevention strategies within the modern school system.

Critical Examination of School Violence and Disturbance in K-12 Education is an authoritative reference source for the latest research on youth violence in schools, offering a thorough analysis of contributing factors to such incidents and possible solutions to prevent future occurrences.

Readers:

Highlighting relevant issues on zero tolerance policies, historical perspectives, and preventive actions, this book is ideally designed for school administrators, law enforcement, teachers, and researchers actively working in educational environments.

ISBN: 9781466699359
