

# Management and Participation in the Public Sphere

Part of the Advances in Public Policy and Administration (APPA) Book Series

Mika Markus Merviö (Kibi International University, Japan)

## Description:

Public policy has a dynamic effect on multiple facets of modern society. Methods for managing and engaging the public sphere continue to change conceptually across the globe, impacting the ways that governments and citizens interact both within and across borders.

**Management and Participation in the Public Sphere** is a definitive reference source for the latest scholarly research on the interplay of public affairs and the domestic realm, providing innovative methods on managing public policy across various nations, cultures, and governments.

This publication features timely, research-based chapters on the critical issues of public policy including, but not limited to, archival paradigms, Internet censorship, media control, civic engagement, virtual public spaces, online activism, higher education, and public-private partnerships.

## Readers:

This publication is a pivotal reference source for researchers, students, and professionals seeking current developments in novel approaches to public policy studies.
