

Building a Unified Teacher Licensing System: Policies, Education Reforms, and Cultural Integration

Ayman Massouti (Sharjah Education Academy, UAE)
Asma Khaleel Abdallah (Sharjah Education Academy, UAE)

Description:

The current education system faces complex challenges in teacher education and retention. Insights into the latest developments in teacher education policies and procedures suggest that a unified system of teacher licensing may facilitate a sustainable approach to hiring newly qualified and certified teachers. Additionally, a unified system of licensing may expand career opportunities for current and future teachers, providing a more sustainable approach to teacher retention. This improvement in teacher education and licensing policies may promote effective and informative knowledge on teaching and learning strategies.

Building a Unified Teacher Licensing System: Policies, Education Reforms, and Cultural Integration explores teacher education programs, licensing policies and procedures, and the current education systems. It highlights existing teacher education programs and licensing practices while exploring complex educational challenges, and opportunities for a unified system of teacher licensing. Covering topics such as professional development, cultural integration, and teacher preparedness, this book is an excellent resource for educators, policymakers, school administrators, professionals, researchers, academicians, and more.
