

Sexual Misconduct in the Education and Human Services Sector

Part of the Advances in Human Services and Public Health Book Series

Christopher Schwilk (Shippensburg University, USA), Rachel Stevenson (Shippensburg University, USA) and David Bateman (Shippensburg University, USA)

Description:

Creating a safe and trusting environment is a pivotal concern within any professional setting. By increasing awareness and providing accurate information, misbehavior problems can more easily be prevented.

Sexual Misconduct in the Education and Human Services Sector is a pivotal reference source for the latest scholarly research on effective guidelines and frameworks for ensuring appropriate professional conduct, and presents innovative methods for the proper training of employees. Focuses on imperative concepts and applicable real-world examples.

Readers:

This book is ideally designed for managers, researchers, and professionals interested in the prevention of inappropriate behavior in the workplace.
