

International Journal of Computers in Clinical Practice (IJCCP)

ISSN: 2470-8526; EISSN: 2470-8534

Established 2016; Published Semi-Annually

Editor(s)-in-Chief: Athina A. Lazakidou (University of Peloponnese, Greece)

The International Journal of Computers in Clinical Practice (IJCCP) provides comprehensive coverage on computational capabilities, models, and implementation for clinical applications. IJCCP covers a variety of methods for medical practice, treatment, and documentation using emerging computer-based tools. This journal offers state-of-the-art research on digital solutions in physician's offices as well as hospitals and medical laboratory settings and is essential to advancing the literature currently available in the medical field.

Individual Price:

Print: US \$370

E-Journal: US \$370

Print + E-Journal: US \$450

Institution Price:

Print: US \$1,030

Online Access: US \$1,030

Print + Online Access: US \$1,245

Prices are subject to change without notification.

Topics Covered:

- Classification and prediction models
- Clinical decision support
- Clinical Trials
- Computer networks for medical knowledge sharing
- Computer technology for diagnostic testing
- Computer-assisted health monitoring
- Computer-assisted surgery
- Computerized medical records systems
- Computers in clinical social work
- Computers in dentistry
- Computers in medical education
- Computers in nursing practice
- Computers in psychotherapy and mental health
- Disease monitoring and management
- Electronic data collection
- Handheld computers in clinical practice
- Hospital information systems
- Imaging Techniques
- Security and privacy of electronic health records
- Virtual medical laboratories
- Wearable computing for health applications

SUBMISSION INFORMATION

Prospective authors should note that only original and previously unpublished articles will be considered. Interested authors must consult the journal's guidelines for manuscript submissions at www.igi-global.com/publish/resources prior to submission. All article submissions will be forwarded to the Editorial Review Board for double-blind, peer review.

All submissions and inquiries should be directed to the attention of:
Athina A. Lazakidou, IJCCP@igi-global.com
