

Cases on Teacher Development, Personalized Learning, and Upskilling the Workforce

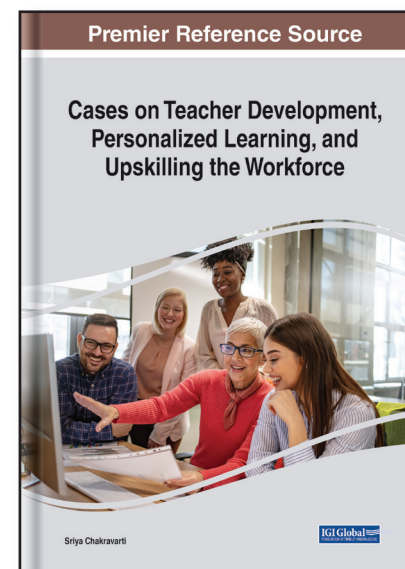

Part of the Advances in Higher Education and Professional Development Book Series

Sriya Chakravarti (Higher Colleges of Technology, UAE)

Description:

The time has come to refine the education ecosystem in such a way that it generates wealth-creating careers, personalized learning, and upskilling for all types of employment opportunities so that the current and next generation of the world can find long-term social stability, sound mental health, and financial agility. From an educator's point of view, this is possible through high-quality education that is relevant to a particular society and effective educational policies that promote a culture of innovation, encourage risk-taking, and continuously monitor productivity through the training and development of teachers.

Cases on Teacher Development, Personalized Learning, and Upskilling the Workforce disseminates the best practices on high-quality education, teaching training, teacher/student entrepreneurship, and wealth-generating careers. It presents cases on refining education through teacher development sessions and training. Covering topics such as capacity building, personalized learning, and teacher trainee development, this casebook is an excellent resource for educators and administrators of K-12 and higher education, academic advisors, preservice teachers, teacher educators, policymakers, librarians, researchers, and academicians.
