Part of the Advances in Public Policy and Administration Book Series

Bogdan Ershov (Voronezh State Technical University, Russia), Natalia Muhina (Voronezh State Technical University, Russia) and Igor Ashmarov (Voronezh State Institute of Arts, Russia)

## Description:

The historical development of Russia remains one of the most unique yet ambiguous timelines in the realm of political science and sociology. Understanding the state of culture as a single, dynamic, and interrelated phenomenon is a vital component regarding the memoirs of this prominent nation.

**Political, Economic, and Social Factors Affecting the Development of Russian Statehood: Emerging Research and Opportunities** is a collection of innovative research on the historical aspects of the formation of the political system in Russia and proposes directions for the further development of modern Russian statehood. While highlighting topics including socio-politics, Soviet culture, and capitalization, this book is ideally designed for economists, government officials, policymakers, historians, diplomats, intelligence specialists, political analysts, professors, students, and professionals seeking current research on the history of public administration in Russia.
