

Internal Auditors as Strategic Partners in Business Resilience

Tshepo Maota (University of South Africa, South Africa)

Audrey Legodi (University of South Africa, South Africa)

Description:

In today's dynamic and risk-laden business landscape, the concept of business resilience has moved to the forefront for many organizations' priorities. As companies face increasing threats like economic instability and cyberattacks, the need for proactive and integrated risk management has never been greater. Internal auditors were once viewed as primarily compliance monitors, are now being used as strategic partners who can provide critical insights and assurance across all levels of the organization. The evolving role of internal auditors in strengthening business resilience.

Internal Auditors as Strategic Partners in Business Resilience explores the evolving role of internal auditors as strategic partners in business resilience. This book examines how internal audit functions have transformed beyond compliance and financial oversight. Covering topics such as risk management, digital transformation, and sustainability, this book is an excellent resource for academics, researchers, internal auditors, risk managers, business leaders, corporate executives, students, policy makers, and regulators.
