Approaches to Managing Organizational Diversity and Innovation

Part of the Advances in Human Resources Management and Organizational Development Book Series

Nancy D. Erbe
(California State University, USA)

Many contemporary skills and approaches have emerged as the result of researching and working with diverse global partnerships, teams, networks, companies, and projects. Due to the increasingly innovative global community, it is necessary adapt to these developments and aspire to those most important for their particular involvement.

Approaches to Managing Organizational Diversity and Innovation presents a variety of practical tools, skills, and practices that demonstrate effective ways to positively impact the global community through effective management practice. Demonstrating different ways to manage diversity and innovation, this publication provides models and approaches capable of transforming societies, citizens, and professionals so they are better prepared to embrace diversity. This reference work is particularly useful to academicians, professionals, engineers, and students interested in understanding how globalization impacts their discipline or practice.
