

Teaching Human Resources and Organizational Behavior at the College Level

Part of the Advances in Human Resources Management and Organizational Development Book Series

John Mendy (University of Lincoln, UK)

Description:

New aspects of human resource management and organizational behavior have emerged in recent years. As such, it has become imperative to facilitate proper educational initiatives for professionals entering these fields.

Teaching Human Resources and Organizational Behavior at the College Level is an essential reference source for the latest empirical research on emerging teaching strategies for business-oriented frameworks. Featuring coverage on a broad range of topics and perspectives such as talent development, curriculum development, and career competencies, this book is ideally designed for students, practitioners, and managers seeking current research on learning methodologies and conceptual developments in human resources management.
