

# International Journal of Project Management and Productivity Assessment (IJPMPA)

**ISSN: 2643-8089; EISSN: 2643-8097**

Established 2020; Published Semi-Annually

**Editor(s)-in-Chief:** Oxana Karnaukhova (Southern Federal University, Russian Federation) and Brian J. Galli (Long Island University, USA)

The International Journal of Project Management and Productivity Assessment (IJPMPA) publishes new research, innovations, developments, and ideas in the areas of productivity, efficiency, and performance measurement and management, including new techniques, approaches, and related reflective analysis designed to improve individual, group, and organizational performance. The journal provides an interactive and global discussion forum for academics, professionals, and practitioners working and interested in project management and increased efficiency. This multidisciplinary journal draws from the fields of economics, econometrics, management, statistics, production, information technology, marketing, accounting, supply chain, and organizational behavior.
