

# E-Retailing Challenges and Opportunities in the Global Marketplace

Part of the Advances in E-Business Research (AEBR) Book Series

Shailja Dixit (Amity University, India) and Amit Kumar Sinha (Amity University, India)

## Description:

The internet has become a flexible platform upon which global retail brands can expand and grow. With a greater emphasis on and opportunity for new market opportunities in the digital sphere, the global retail market is undergoing an era of rapid transformation as new web-based retail models emerge to meet the needs of the modern consumer.

**E-Retailing Challenges and Opportunities in the Global Marketplace** explores the transformations occurring in the virtual marketplace as consumer needs and expectations shift to the new age of online shopping. Emphasizes the difficulties business professionals face in the digital age in addition to opportunities for market growth and new product development.

## Readers:

This publication is a critical reference source for business professionals, product strategists, web managers, IT specialists, and graduate-level students in the fields of business, retail management, and advertising.
