Handbook of Research on Contemporary Approaches in Management and Organizational Strategy

Çağlar Doğru (Ufuk University, Turkey)

Description:
The importance of effective use of resources within a business is paramount to the success of the business. This includes the effective use of employees as well as efficient strategies for the direction of those employees and resources. A manager’s ability to adapt and utilize contemporary approaches for maximizing both individuals and organizational knowledge is essential.

The Handbook of Research on Contemporary Approaches in Management and Organizational Strategy is a pivotal reference source that provides vital research on the application of contemporary management strategies. While highlighting topics such as e-business, leadership styles, and organizational behavior, this publication explores strategies for the achievement of organizational goals, as well as the methods of effective resource allocation. This book is ideally designed for academicians, students, managers, specialists, and consultants seeking current research on strategies for the management of people and knowledge within an organization.

Topics Covered:

- Competitive Advantage
- Corporate Governance
- E-Business
- Employee Relations
- Human Resources Politics
- Leadership Styles
- Learning Organizations
- Management Information
- Organizational Behavior
- Population Ecology
- Strategic Management
