INTERNATIONAL JOURNAL OF

Agent Technologies and Systems

IGI PUBLISHING
Publisher of IT books, journals and cases since 1988
www.igi-global.com

ISSN: 1943-0744; EISSN: 1943-0752

Established 2009; Published Quarterly

Editor(s)-in-Chief: Yu Zhang (Trinity University, USA) and
Goran Trajkovski (Virginia International University, USA)

The **International Journal of Agent Technologies and Systems (IJATS)** focuses on all aspects of agents and multi-agent systems, with a particular emphasis on how to modify established learning techniques and create new learning paradigms to address the many challenges presented by complex real-world problems. The journal serves as an inclusive forum for discussion of theoretical and practical issues of intelligent agent technologies and multi-agent systems while bringing together scientists from different areas of computer science as well as researchers from various fields studying similar concepts.

Individual Pricing

Print + Free E-Access: **\$275.00**

E-Access + Free Print: **\$275.00**

Institution Pricing

Print + Free E-Access: **\$765.00**

E-Access + Free Print: **\$765.00**

Topics Covered:

- Agent development environments
- Agent languages
- Agent models and architectures
- Agent-based data mining
- Agent-based modeling and simulation, tools, and cases
- Agent-based social simulations
- Agent-oriented software engineering
- Agents in electronic business and virtual organizations
- Artificial social systems
- Developmental and cognitive agents
- Emergent behavior in agents and agent societies
- Ethical and legal issues pertaining to agency and multi-agent systems
- Human-agent interaction, interface agents (agent-based user interfaces), and virtual humans
- Information propagation and exchange in multi-agent systems
- Inter-agent interaction
- Knowledge management and ontologies
- Learning in multi-agent systems
- Multi robot systems
- Representation in agents modeling other agents and self
- Representation of agents
- Robot teams
- Social and organizational structure in agent societies
- Software and pervasive agents

SUBMISSION INFORMATION

Prospective authors should note that only original and previously unpublished articles will be considered. INTERESTED AUTHORS MUST CONSULT THE JOURNAL'S GUIDELINES FOR MANUSCRIPT SUBMISSIONS at <http://www.igi-global.com/journals/guidelines-for-submission.aspx> PRIOR TO SUBMISSION. All article submissions will be forwarded to at least 3 members of the Editorial Review Board of the journal for double-blind, peer review. Final decision regarding acceptance/revision/rejection will be based on the reviews received from the reviewers. Papers should ideally be between 8,000 - 10,000 words. All submissions must be forwarded electronically..

All submissions and inquiries should be directed to the attention of:

Yu Zhang, ijats@igi-global.com

All manuscript submissions to IJATS should be sent through the online submission system:
