

Recent Advances in the Roles of Cultural and Personal Values in Organizational Behavior

Part of the Advances in Human Resources Management and Organizational Development Book Series

Zlatko Nedelko (University of Maribor, Slovenia) and Maciej Brzozowski (Poznan University of Economics and Business, Poland)

Description:

The complete understanding of organizational culture and personal values is fundamental for running and improving modern organizations. By identifying the underlying building blocks for behavior, strategy, and actions of organizations and their members, companies and researchers may discover innovative techniques to encourage productive and satisfying working environments.

Recent Advances in the Roles of Cultural and Personal Values in Organizational Behavior

is a collection of innovative research on how culture and personal values shape and influence leadership styles, decision-making processes, innovativeness, and other management practices. While highlighting topics including employee motivation, leadership style, and organizational culture, this book is ideally designed for managers, executives, human resources professionals, recruiters, researchers, academics, educators, and students seeking current research on cultural backgrounds and personal values for organizations.
