

# Global Perspectives on Social Media Usage Within Governments

Part of the Advances in Social Networking and Online Communities Book Series

Cenay Babaoglu (Nigde Ömer Halisdemir University, Turkey),  
Serhan Çalhan (Akdeniz University, Turkey) and  
Onur Kulaç (Pamukkale University, Turkey)

## Description:

A grassroots understanding of well-being can be an effective approach to meeting the needs of children in low-resource settings. Due to this, evidence on how to sustain such approaches is needed.

**Global Perspectives on Social Media Usage Within Governments** addresses a long-standing need for a book that focuses more on strength over weakness, inclusion over exclusion, health over neurosis, agency over passiveness, and future over the past of Black students' well-being. The book also articulates a vision for the kind of educational environment where Black students can thrive. Covering key topics such as community, workplace well-being, stress, and relationships, this premier reference source is ideal for administrators, policymakers, academicians, researchers, scholars, practitioners, librarians, instructors, and students.

**ISBN:** 9781668474501
