

# Global Perspectives on Human Migration, Asylum, and Security

Part of the Advances in Human Services and Public Health Book Series

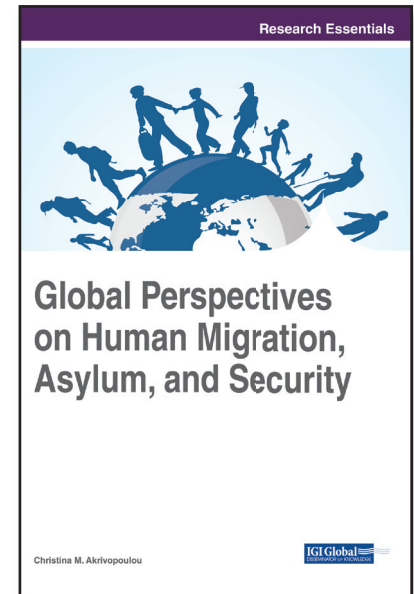

Christina M. Akrivopoulou (Hellenic Open University, Greece)

## Description:

Unstable social climates are causing the displacement of large numbers of people around the world. Thus, the issue of safe replacement arises causing the need for new policies and strategies regarding immigration.

## Global Perspectives on Human Migration, Asylum, and Security

is a timely reference source for the latest research on the challenges, risks, and policies of current relocation and refugee flows, as well as address security problems in relation to these aspects of immigration. Featuring coverage on a wide variety of topics and perspectives such as terrorism, racism, and human rights, this publication is ideally designed for academicians, policy makers, researchers, and practitioners seeking current research on the current societal happenings of refugee integration around the world.
