

# Global Health Governance and Human Rights

Jyothis Mary (Hume Institute for Post-Graduate Studies, Lausanne, Switzerland)

Akanksha Madaan (REVA University, India)

Amit Anand (REVA University, India)

Alicia Danielsson (Hume Institute for Post-Graduate Studies, Lausanne, Switzerland)

## Description:

Advancements in medical science and technology have the potential to transform global health, but they also bring ethical challenges related to fairness, accessibility, and equity. Intellectual property laws and governance structures, while encouraging innovation, can inadvertently limit access to essential treatments, particularly in underserved regions. Balancing the need for innovation with the imperative of equitable healthcare requires careful policy design and global cooperation. Addressing these issues is vital to ensuring that medical breakthroughs benefit all populations, not just those with economic or geographic advantages.

**Global Health Governance and Human Rights** provides a comprehensive and interdisciplinary examination of the ethical dimensions of healthcare innovation and the mechanisms that either promote or restrict access to life-saving medical treatments. By engaging with diverse perspectives, including those from law, medicine, global health governance, and human rights advocacy, it offers practical insights into how to reconcile the competing demands for innovation and equity. Covering topics such as affordable pharmaceuticals, right to food, and transgender persons, this book is an excellent resource for academicians, legal professionals, policymakers, healthcare practitioners, and those working in global health governance.

**ISBN:** 9798337300665 **Pages:** 316 **Copyright:** 2026 **Release Date:** 9/12/2025

**Hardcover:** \$235 **Softcover:** \$195 **E-Book:** \$225 **Hardcover + E-Book:** \$280

## Topics Covered:

Affordable Pharmaceuticals  
Armed Conflicts  
Climate Change  
Environmental Protection  
Health Governance  
Human Rights  
Migrant Laborers  
Regulations  
Restroom Access

Right to Food  
Social Justice  
Social Protection  
Sustainability  
Transgender Persons

**Subject:** Medicine and Healthcare

**Readership Level:** Advanced-Academic Level (Research Recommended)

**Classification:** Edited Reference

**Research Suitable For:** Advanced Undergraduate Students; Graduate Students; Researchers; Academicians; Professionals; Practitioners
