Building a Competitive Public Sector with Knowledge Management Strategy

Part of the Advances in Human Resources Management and Organizational Development (AHRMOD) Book Series

Yousif Al-Bastaki (University of Bahrain, Bahrain) and
Amani Shajera (University of Bahrain, Bahrain)

Organizational strategies in the public sector are constantly changing and growing. In order for organizations to remain successful and competitive, they must ensure that the stream of knowledge is managed effectively.

Building a Competitive Public Sector with Knowledge Management Strategy explores different practices and theories of knowledge management, providing an efficient way of sustaining knowledge to improve organizational learning and enhance company performance. By intelligently analyzing current research, this publication is beneficial to managers, practitioners, and researchers interested in increasing their knowledge management strategies in the public sector.

Topics Covered:

- Human Resource Management
- Knowledge Organizations
- Leadership Initiatives
- Management Science
- Organizational Research
- Public and Sector Management
