Multilingual Writing and Pedagogical Cooperation in Virtual Learning Environments
Part of the Advances in Linguistics and Communication Studies Book Series

Birthe Mousten (Aarhus Universitet, Denmark), Sonia Vandepitte (Universiteit Gent, Belgium), Elisabet Arnó (Universitat Politècnica de Catalunya, Spain) and Bruce Maylath (North Dakota State University, USA)

Description:
Modern technology has enhanced many aspects of life, including classroom education. By offering virtual learning experiences, educational systems can become more efficient and effective at teaching the student population.

Multilingual Writing and Pedagogical Cooperation in Virtual Learning Environments is a critical scholarly resource that examines experiences with virtual networks and their advantages for universities and students in the domains of writing, translation, and usability testing. Featuring coverage on a broad range of topics such as collaborative writing, project-based learning, and writing and translation practices, this book is geared towards administrators, teachers, professors, academicians, practitioners, and researchers seeking current research on multilingual writing and pedagogical cooperation in virtual learning environments.
