

# Overcoming Fieldwork Challenges in Social Science and Higher Education Research

Part of the Advances in Higher Education and Professional Development Book Series

Abir El Shaban (Innovate Your Classroom (IC) Consulting, Canada)

## Description:

**Overcoming Fieldwork Challenges in Social Science and Higher Education Research** is an essential reference book that draws on the experience of conducting fieldwork in different contexts and world regions that are relevant to social science and education studies. The diverse experiences in research processes and contexts that this book offers provide readers with an authentic and realistic description of how research data is collected, the tools needed to envision some of the challenges that they might face, and how to effectively solve them. Highlighting topics such as methodology, data collection, and fieldwork partnerships in fields that include counseling, psychology, language studies, and teacher education, this book is ideal for social science and education studies professors who have research as a mandatory part of their curriculum, administrators and policymakers, independent and novice researchers, and graduate students planning to conduct their research studies with humans in
