

Educational Development and Infrastructure for Immigrants and Refugees

Part of the Advances in Religious and Cultural Studies Book Series

Şefika Şule Erçetin (Lancaster University, UK)

Description:

Education is a pivotal influence on all members of society. However, in the case of immigrants and refugees integrating into a new country, allowing proper learning opportunities can offer specific challenges that must be overcome.

Educational Development and Infrastructure for Immigrants and Refugees is an innovative source of scholarly research on the role of education for refugees and immigrants, and it examines methods to develop effective learning processes for these students. Highlighting a range of perspectives on topics such as lifelong learning, legal considerations, and multiculturalism, this book is ideally designed for teachers, policy makers, researchers, academics, and professionals actively involved in the education sector.
