

Strategic Learning Ideologies in Prison Education Programs

Part of the Advances in Higher Education and Professional Development
Book Series

Idowu Biao (University of Botswana, Botswana)

Description:

The discipline of adult education has been vastly discussed and optimized over the years. Despite this, certain niches in this area, such as correctional education, remain under-researched and under-developed.

Strategic Learning Ideologies in Prison Education Programs is a pivotal reference source that encompasses a range of research perspectives on the education of inmates in correctional facilities. Highlighting a range of international discussions on topics such as rehabilitation programs, vocational training, and curriculum development, this book is ideally designed for educators, professionals, academics, students, and practitioners interested in emerging developments within prison education programs.
