

# Developing Organizational Maturity for Effective Project Management

Part of the Advances in Logistics, Operations, and Management Science Book Series

Gilbert Silvius (LOI University of Applied Sciences, The Netherlands & University of Johannesburg, South Africa) and Gamze Karayaz (Isik University, Turkey)

## Description:

Despite criticism for their serious shortcomings, maturity models are widely used within organizations. The appropriate applications of these models can lead to organizational and corporate success.

**Developing Organizational Maturity for Effective Project Management** is a critical scholarly publication that explores the successes and failures of maturity models and how they can be applied competently to leadership within corporations. Featuring coverage on a wide array of topics such as project management maturity, agile maturity, and organizational performance, this publication is geared toward professionals, managers, and students seeking current research on the application of maturity models to corporate success.
