

Administrative Leadership in Open and Distance Learning Programs

Part of the Advances in Mobile and Distance Learning Book Series

Koksal Buyuk (Anadolu University, Turkey), Serpil Kocdar (Anadolu University, Turkey) and Aras Bozkurt (Anadolu University, Turkey)

Description:

The face of education is constantly being transformed due to rapid changes in technology. It is imperative that leadership trends and techniques be evaluated in the educational field, particularly in reference to alternative learning programs.

Administrative Leadership in Open and Distance Learning Programs is a pivotal scholarly resource that discusses emerging issues surrounding the administration of non-traditional education practices. Highlighting relevant topics that include policy development, quality assurance, accreditation, and assessment systems, this publication is an ideal reference source for educators, academicians, graduate students, and researchers that are interested in the progression of open and distance education.
