Strategic Approaches for Human Capital Management and Development in a Turbulent Economy

Part of the Advances in Human Resources Management and Organizational Development Book Series

Patricia Ordóñez de Pablos (Universidad de Oviedo, Spain) and Robert D. Tennyson (University of Minnesota, USA)

Companies and organizations are increasingly more aware of the importance of people and their knowledge for dealing with economic scenarios as well as their relationships developed both inside and outside of the company.

Strategic Approaches for Human Capital Management and Development in a Turbulent Economy examines the useful information developed by individuals presented within organizational structures, routines, and company policies. This book is an international platform for academics, researchers, lecturers, decision makers, and policy makers in order to enhance their understanding and collaboration in issues of knowledge management and human resource management.

Topics Covered:

- Human Capital Management
- Human Resource Development
- Social Enterprises
- Business Research
- Integrated Innovation
- Inter-Organizational Knowledge
- Structural Capital
