

# Handbook of Research on Pedagogies and Cultural Considerations for Young English Language Learners

Part of the Advances in Early Childhood and K-12 Education Book Series

Grace Onchwari (University of North Dakota, USA) and Jared Keengwe (University of North Dakota, USA)

## Description:

In the schools of today, English learners are the fastest-growing segment of the student population. As such, it is increasingly imperative to educate these students properly, while still practicing inclusion for overall student success.

The **Handbook of Research on Pedagogies and Cultural Considerations for Young English Language Learners** is an authoritative research publication on research-based, theoretical frameworks and best practices for teaching young English language learners. Featuring exhaustive coverage on a variety of topics and perspectives such as co-teaching, inclusion, and social awareness, this publication is ideally designed for academicians, researchers, and students seeking current research on the examination of how diverse backgrounds, cultures, and experiences contribute to curriculum and pedagogy for bilingual young learners.
