

International Journal of Biomedical and Clinical Engineering (IJBCE)

ISSN: 2161-1610; EISSN: 2161-1629

Established 2012; Published Semi-Annually

Editor(s)-in-Chief: Natarajan Sriraam (M.S. Ramaiah Institute of Technology, India)

The International Journal of Biomedical and Clinical Engineering (IJBCE) emphasizes the importance of cutting-edge research by narrowing the gap between engineering and medicine through new technological innovations. The journal covers a wide spectrum of innovations, including biosensors, medical instrumentation, artificial organs, imaging systems, genetics, and tissue engineering. The journal also establishes a juncture between biomedical engineering and subfields like bioinstrumentation, rehabilitation engineering, medical imaging, biomaterials, biomechanics, tissue engineering, and clinical engineering. The journal provides a platform for researchers, clinicians, and healthcare professionals to exchange novel ideas and technologies for developing new healthcare standards and products.

Topics Covered:

- Artificial intelligence in medicine
- BioMEMS
- Bionics
- Biophotonics
- Biosensors and applications
- Clinical engineering
- Diagnostic interpretation and validation
- Grid computing and healthcare
- Health Informatics
- Hospital engineering
- Medical equipment design, modeling, and applications
- Medical Ethics
- Medical imaging techniques
- Medical optics
- Medical protocols
- Nanotechnology in biomedicine
- Network security and its importance in biomedicine
- Neuro rehabilitation engineering
- Physiological signal monitoring
- Robotics
- Telemedicine applications
- Telepresence surgery
- Understanding safety standards for medical equipments

SUBMISSION INFORMATION

Prospective authors should note that only original and previously unpublished articles will be considered. Interested authors must consult the journal's guidelines for manuscript submissions at www.igi-global.com/publish/resources prior to submission. All article submissions will be forwarded to the Editorial Review Board for double-blind, peer review.

All submissions and inquiries should be directed to the attention of:
