

# Student Culture and Identity in Higher Education

Part of the Advances in Higher Education and Professional Development Book Series

Ambreen Shahriar (University of Sindh, Pakistan) and Ghazal Kazim Syed (University of Sindh, Pakistan)

## Description:

The pursuit of higher education has become increasingly popular among students of many different backgrounds and cultures. As these students embark on higher learning, it is imperative for educators and universities to be culturally sensitive to their differing individualities.

**Student Culture and Identity in Higher Education** is an essential reference publication including the latest scholarly research on the impact that gender, nationality, and language have on educational systems. Featuring extensive coverage on a broad range of topics and perspectives such as internationalization, intercultural competency, and gender equity, this book is ideally designed for students, researchers, and educators seeking current research on the cultural issues students encounter while seeking higher education.
