

# Applied Linguistics for Teachers of Culturally and Linguistically Diverse Learners

Part of the Advances in Linguistics and Communication Studies Book Series

Nabat Erdogan (University of Missouri-Kansas City, USA) and Michael Wei (University of Missouri-Kansas City, USA)

## Description:

Irrespective of the language (first, second, or foreign) taught, knowledge of linguistics and its application is a must for language teachers. However, most TESOL programs use general linguistics textbooks that deal with the science of linguistics (as theory), disregarding its implications (practice) for teaching English language learners.

**Applied Linguistics for Teachers of Culturally and Linguistically Diverse Learners** is an essential scholarly publication that seeks to contribute to TESOL and language teacher education programs in order to assist educators to apply their knowledge to help linguistically and culturally diverse learners succeed in school and life. Highlighting an array of topics such as bilingualism, morphology, and sociolinguistics, this book is ideal for educators, educational programs, professionals, academicians, professors, linguists, and students.
