

# Critical Assessment and Strategies for Increased Student Retention

Part of the Advances in Higher Education and Professional Development Book Series

Ruth Claire Black (Namseoul University, South Korea)

## Description:

Student retention has become a difficult issue within higher education. As such, it is imperative to examine the causes, as well as provide educators with strategies to implement to improve retention rates.

**Critical Assessment and Strategies for Increased Student Retention** is a pivotal reference source for the latest progressive research on a variety of current student success and attendance perpetuation issues. Featuring a broad range of coverage on a number of perspectives and topics, such as academic performance, counseling, and culture, this publication is geared towards practitioners, academicians, and researchers interested in understanding the difficulties with maintaining student retention.
