

Curriculum Integration in Contemporary Teaching Practice: Emerging Research and Opportunities

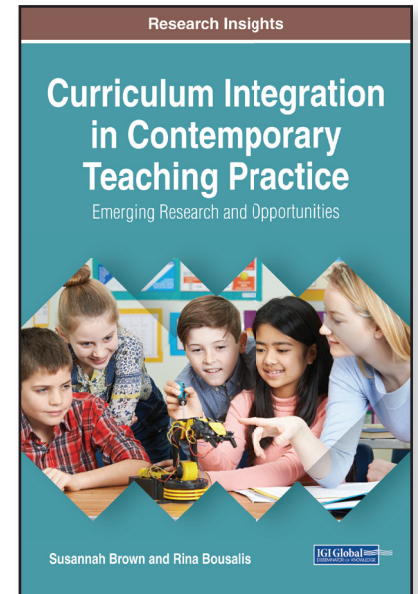

Part of the Advances in Early Childhood and K-12 Education Book Series

Susannah Brown (Florida Atlantic University, USA) and Rina Bousalis (Florida Atlantic University, USA)

Description:

Teaching and learning practices that are interconnected and value all subject areas benefit K-12 students by supporting creativity, critical thinking, communication, and collaboration.

Curriculum Integration in Contemporary Teaching Practice: Emerging Research and Opportunities is an essential scholarly resource that presents detailed information on the benefits and implementation of STREAMSS (Science, Technology, Reading, Engineering, Arts, Mathematics and Social Studies), an interdisciplinary curriculum that meets K-12 students' diverse needs by placing equal emphasis on multiple avenues of learning. Highlighting topics such as educational science and technology, curriculum development, and instructional design, this book is an ideal resource for students, academicians, researchers, and librarians seeking current information on interdisciplinary education.
