

# International Journal of Library and Information Services (IJLIS)

ISSN: 2475-9961; EISSN: 2475-997X

Established 2017; Published Semi-Annually

**Editor(s)-in-Chief:** Brian Doherty (New College of Florida, USA)

The International Journal of Library and Information Services (IJLIS) provides comprehensive coverage on the latest developments and technological advancements in library service innovation. Public, academic, special, and school libraries, as well as information centers worldwide are continuously challenged as library spaces evolve. IJLIS faces these challenges head on by offering innovative methods for developing an effective organizational structure, optimizing library space use, and implementing programs designed to improve user experience and engagement.
