

Narratives and the Role of Philosophy in Cross-Disciplinary Studies: Emerging Research and Opportunities

Part of the Advances in Human and Social Aspects of Technology Book Series

Ana-Maria Pascal (Regent's University London, UK)

Description:

Every life has certain moments that define it. Going beyond the day-to-day norms of living, these life experiences have a profound effect on the person and the life lived.

Narratives and the Role of Philosophy in Cross-Disciplinary Studies: Emerging Research and Opportunities is a critical scholarly research publication that focuses on the multidisciplinary aspects of philosophy. Featuring coverage on a wide range of topics such as life-changing events, exemplary figures, and the role of philosophy, this book is geared toward academicians, researchers, and students seeking current and relevant research on the importance of narrative in a multidisciplinary investigation into the identity of people and events.
