

# An Excellent Addition to Your Library!

Released: April 2012

## Regional Development: Concepts, Methodologies, Tools, and Applications

Information Resources Management Association, USA

From domestic to international settings, aid and assistance to less-developed areas has recently been bolstered by a boom in technological advances and new research.

**Regional Development: Concepts, Methodologies, Tools, and Applications** presents a vital compendium of research detailing the latest case studies, architectures, frameworks, methodologies, and research on regional development. With over 100 chapters from authors from around the world, this three volume collection presents the most sophisticated research and developments from the field, relevant to researchers, academics, and practitioners alike. In order to stay abreast of the latest research, this book affords a vital look into regional development research.

### Topics Covered:

- Development aid
- International development
- Regional science
- Regional development agency
- Urban development
- Urban renewal
- Land use planning
- Transportation planning
- Urban planning
- Urban theory
