E-Publishing and Digital Libraries: Legal and Organizational Issues

Ioannis Iglezakis (Aristotle University of Thessaloniki, Greece),
Tatiana-Eleni Synodinou (University of Cyprus, Greece) and
Sarantos Kapidakis (Ionion University of Greece, Greece)

Digital libraries collect, manage, and preserve electronic expressions of knowledge on any subject and in any type or format. Consequently, the creation of a digital library presupposes the respect of the legal norms which govern the pre-existing materials included in the database.

E-Publishing and Digital Libraries: Legal and Organizational Issues provides a comprehensive overview of the organizational and legal issues concerning digital libraries. It includes 24 contributions from world-renowned specialists in digital libraries. This premier reference source is a must-have for researchers and professionals in the field of ICTs and its various disciplines, including library, education, computer science and management, as well as experts in the field of law.

Topics Covered:

- Collaboration through Digital Libraries
- Copyright Issues
- Digital Libraries and Web Linking
- E-Books in Digital Libraries
- Encoding Models
- Intellectual Property Issues
- Interoperability in Digital Libraries
- Moral Right and Limits
- Music Libraries
- Orphan Works in Digital Libraries
