Barry Thatcher

Barry Thatcher (New Mexico State University, USA)

Understanding cultural differences and determining their relevance in a broader context are the key goals of any intercultural inquiry.

Intercultural Rhetoric and Professional Communication: Technological Advances and Organizational Behavior explores the theory and practice of rhetoric and professional communication in intercultural contexts. This book provides a framework for translating, localizing, and internationalizing communications and information products around the world. Another translating a theoretically integrated approach, this book provides the analytical tools and methods for examining the relations between culture and rhetoric and understanding the deep cultural foundation of rhetorical patterns.

Topics Covered:

- Contrastive Rhetoric
- Distance Education and E-Learning
- Intercultural Inquiry
- Intercultural Organizational Training
- Intercultural Teaching and Research
- Knowing and Defining Relevant Cultural Differences

- Organizational Theory and Communication
- Professional Communication across Cultures
- Relationships between Culture and Rhetoric
- Website Design and Globalization

Market: This premier publication is essential for all academic and research library reference collections. It is a crucial tool for academicians, researchers, and practitioners and is ideal for classroom use.

Barry Thatcher is an Associate Professor of Rhetoric and Professional Communication at New Mexico State University and "Professor Asociado" at El Colegio de Chihuahua, Ciudad Juarez, Mexico. He is Founder and Editor-in-Chief of *The Journal of Rhetoric, Professional Communication, and Globalization* and Co-Editor of *La Revista Latinoamericana de Retorica*. He has published widely on the area of intercultural professional communication and rhetoric, rhetoric in Latin America, border literacy, and research methods. He has worked in a large variety of cross-border and globalization projects, including health, transportation, security, technology transfer, and education.
