

Exploring Journalism Practice and Perception in Developing Countries

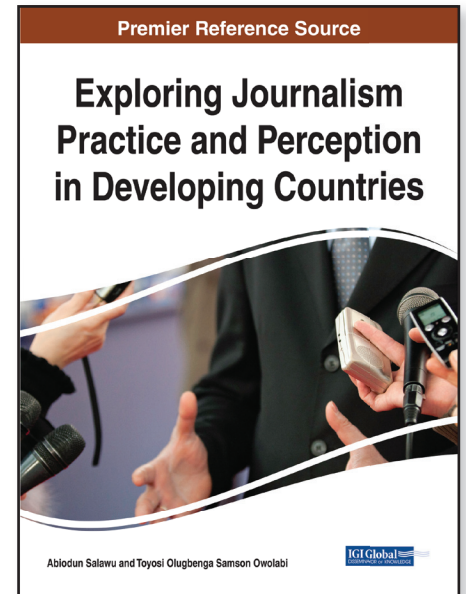

Part of the Advances in Media, Entertainment, and the Arts Book Series

Abiodun Salawu (North-West University, South Africa) and Toyosi Olugbenga Samson Owolabi (Lagos State University, Nigeria)

Description:

Media outlets play a pivotal role in fostering the positive and beneficial development of countries in modern society. By properly informing citizens of critical national concerns, the media can help to transform society and promote active participation.

Exploring Journalism Practice and Perception in Developing Countries is a crucial reference source for the latest scholarly material on the impacts of development journalism on contemporary nations and the media's responsibility to inform citizens of government and non-government activities. Highlighting a range of pertinent topics such as media regulation, freedom of expression, and new media technology, this book is ideally designed for researchers, academics, professionals, policy makers, and students interested in the role of journalist endeavors in developing nations.
