

International Journal of Operations Research and Information Systems (IJORIS)

ISSN: 1947-9328; EISSN: 1947-9336
Established 2010; Published Quarterly

Editor(s)-in-Chief: John Wang (Montclair State University, USA)

The International Journal of Operations Research and Information Systems (IJORIS) examines current, state-of-the-art advances in the interactions, linkages, applications, and support of operations research with information systems. Covering emerging theories, principles, models, processes, and applications within the field, this journal provides practitioners, educators, and researchers with an international collection of all operations research facets.

Individual Price:

Print: US \$295

E-Journal: US \$295

Print + E-Journal: US \$360

Institution Price:

Print: US \$840

Online Access: US \$840

Print + Online Access: US \$1,015

Prices are subject to change without notification.

Topics Covered:

- Computational Intelligence
- Computing and information technologies
- Continuous and discrete optimization
- Decision analysis and decision support
- Education
- Engineering management
- Environment, energy and natural resources
- Financial engineering
- Government
- Heuristics
- Industrial Engineering
- Information Management
- Information Technology
- Inventory Management
- Knowledge Management
- Logistics and Supply Chain Management
- Maintenance
- Manufacturing industries
- Marketing engineering
- Markov chains
- Mathematics
- Military and homeland security
- Networks
- Operations Management
- Organizational Behavior
- Planning and scheduling
- Policy modeling and public sector
- Political Science
- Production Management
- Psychology
- Queuing theory
- Revenue & risk management
- Services management
- Simulation
- Sociology
- Sports
- Statistics
- Stochastic models
- Strategic Management
- Systems Engineering
- Telecommunications
- Transportation

SUBMISSION INFORMATION

Prospective authors should note that only original and previously unpublished articles will be considered. Interested authors must consult the journal's guidelines for manuscript submissions at www.igi-global.com/publish/resources prior to submission. All article submissions will be forwarded to the Editorial Review Board for double-blind, peer review.

All submissions and inquiries should be directed to the attention of:
John Wang, IJORIS@igi-global.com
