

Regional Integration and Future Cooperation Initiatives in the Eurasian Economic Union

Part of the Advances in Finance, Accounting, and Economics Book Series

Maria Lagutina (Saint Petersburg State University, Russia)

Description:

The integration of the Eurasian Economic Union has been under constant development as officials try to successfully implement new economic policies within its various regions. Introducing a new policy such as this creates the formation of new markets, the improvement of cooperation initiatives, as well as a new legislative base and supplementations. These continual alterations require updated analysis and research for political leaders to follow regarding provincial incorporation methods.

Regional Integration and Future Cooperation Initiatives in the Eurasian Economic Union

is an essential reference source that discusses the conceptual and empirical frameworks of the current phase of Eurasian integration as well as its economic impact. Featuring research on topics such as multilateral cooperation, free trade, and international views, this book is ideally designed for politicians, economists, strategists, public relations specialists, research scholars, policymakers, students, and academicians seeking coverage on regional integration issues in modern Eurasia.
