

Online Collaboration and Communication in Contemporary Organizations

Part of the Advances in Human Resources Management and Organizational Development Book Series

Ditte Kolbaek (Aalborg University, Denmark)

Description:

The digital age has introduced a deeper sense of connectivity in business environments. By relying more heavily on current technologies, organizations now experience more effective communication and collaboration opportunities.

Online Collaboration and Communication in Contemporary Organizations is a critical scholarly resource that identifies the new practices and techniques for leading, knowledge sharing, and learning through the use of online collaboration. Featuring coverage on a broad range of topics such as online leadership, intercultural competence, and e-ethics, this book is geared toward professionals, managers, and researchers seeking current research on new practices for online collaboration and communication.
