

# Critical Theory and Transformative Learning

Part of the Advances in Standardization Research Book Series

Victor C.X. Wang (Grand Canyon University, USA)

## Description:

Engaging in genuine dialogue and authentic communication is essential for teachers to assist students' successes and help them further their education through refining critical thinking skills beyond the classroom.

**Critical Theory and Transformative Learning** is a critical scholarly resource that examines and contrasts the key concepts related to critical approaches in educational settings. Featuring coverage on a broad range of topics including repressive tolerance, online teaching, and adult education, this book is geared toward educators, administrators, academicians, and researchers seeking current research on transformative learning and addressing the interconnectedness of important theories and praxis.
