Handbook of Research on Ethics, Entrepreneurship, and Governance in Higher Education

Part of the Advances in Higher Education and Professional Development Book Series

Suja R. Nair (Educe Micro Research, India) and José Manuel Saiz-Álvarez (EGADE Business School, Tecnológico de Monterrey, Mexico)

Description:
Ethics, entrepreneurship, and governance are very essential and crucial for the sustainable development of institutions of higher education, especially in the face of moral ambiguity or ethical lapses that could occur. As such, it is vital to explore how to facilitate the effective and efficient development of higher education institutions to put into practice ethical behaviors and entrepreneurial values for the progressive future of society.

The Handbook of Research on Ethics, Entrepreneurship, and Governance in Higher Education is a pivotal reference source that provides vital research on the application of ethics, entrepreneurship, and governance in higher education institutions. Featuring coverage topics such academic misconduct, ethical leadership, and student values, this publication is ideally designed for educational administrators, professors, academicians, researchers, and graduate-level students seeking current research on the impact of globalization on the ethics and governance in higher education through various policy decisions and practices.

Topics Covered:
- Academic Integrity
- Education Programs
- Entrepreneurship Education
- Ethical Leadership
- Plagiarism
- Social Entrepreneurship
- Student Engagement
- Student Values
- University Social Responsibility
