

# Defending Human Rights and Democracy in the Era of Globalization

Part of the Advances in Religious and Cultural Studies Book Series

Christina Akrivopoulou (Hellenic Open University, Greece)

## Description:

The era of technology in which we reside has ushered in a more globalized and connected world. While many benefits are gained from this connectivity, possible disadvantages to issues of human rights are developed as well.

**Defending Human Rights and Democracy in the Era of Globalization** is a pivotal resource for the latest research on the effects of a globalized society regarding issues relating to social ethics and civil rights. Highlights relevant concepts on political autonomy, migration, and asylum.
