

# Implementing Research Management Policies in ASEAN Higher Education Institutions

Sam Rany (National University of Battambang, Cambodia)

## Description:

Strengthening research governance in ASEAN's higher education sector is vital for driving innovation, economic growth, and regional competitiveness on the global stage. Effective policies can help overcome challenges such as uneven funding, regulatory differences, and administrative barriers, enabling institutions to maximize their research potential. By fostering collaboration, ensuring ethical compliance, and optimizing resource allocation, strong research management supports the creation of impactful knowledge that benefits society. These efforts not only enhance the global standing of ASEAN universities but also contribute to sustainable development and cross-border problem-solving in the region.

**Implementing Research Management Policies in ASEAN Higher Education Institutions** comprehensively analyzes research management policies in ASEAN higher education institutions, identifying key challenges and best practices to enhance research productivity and governance. By exploring policy frameworks, funding strategies, ethical compliance, and institutional collaborations, it bridges gaps in research management and offers practical solutions tailored to the ASEAN context. Covering topics such as doctoral education reform, research productivity, and university rankings, this book is an excellent resource for administrators, policymakers, research managers, academicians, and more.
