

International Journal of Multimedia Data Engineering and Management (IJMDEM)

ISSN: 1947-8534; EISSN: 1947-8542

Established 2010; Published Quarterly

Editor(s)-in-Chief: Chengcui Zhang (University of Alabama at Birmingham, USA) and Shu-Ching Chen (Florida International University, USA)

Recent advances in computing, networking, storage, and information technology have enabled the collection and distribution of vast amounts of multimedia data in a variety of applications such as entertainment, education, environmental protection, e-commerce, public safety, digital government, homeland security, and manufacturing. The proliferation of multimedia data and its rich semantics have created the needs for advanced techniques for in-depth content processing, analysis, indexing, learning, mining, searching, management, and retrieval. The International Journal of Multimedia Data Engineering and Management (IJMDEM) addresses the corresponding issues and challenges and publishes original research on new theories, algorithms, technologies, system design, and implementation in multimedia data engineering and management.

Topics Covered:

- Content understanding and analytics
- Content-based retrieval (image, video, audio, etc.)
- Deep learning/machine learning/ data mining
- Graph Theory and Mining
- Internet of multimedia things
- Media representation, processing and quality measurement
- Mobile media
- Multimedia applications
- Multimedia data engineering
- Multimedia data modeling
- Multimedia databases/data management
- Multimedia networking, communications and streaming
- Multimedia systems and infrastructures
- New standards
- Rich/hyper Text and Ontology Mining
- Security support for multimedia data

Individual Price:

Print: US \$295

E-Journal: US \$295

Print + E-Journal: US \$360

Institution Price:

Print: US \$840

Online Access: US \$840

Print + Online Access: US \$1,015

Prices are subject to change without notification.

SUBMISSION INFORMATION

Prospective authors should note that only original and previously unpublished articles will be considered. Interested authors must consult the journal's guidelines for manuscript submissions at www.igi-global.com/publish/resources prior to submission. All article submissions will be forwarded to the Editorial Review Board for double-blind, peer review.

All submissions and inquiries should be directed to the attention of:
Chengcui Zhang, IJMDEM@igi-global.com
