## Synergic Integration of Formal and Informal E-Learning Environments for Adult Lifelong Learners

Part of the Advances in Higher Education and Professional Development Book Series

Sabrina Leone  
(Università Politecnica delle Marche, Italy)

Recently, there has been an increased understanding that learning occurs outside of the traditional classroom setting, particularly for adult lifelong learners. This perspective has enhanced an attentive design in the underlying technological architecture that is required for the integration of formal and informal learning environments.

**Synergic Integration of Formal and Informal E-Learning Environments for Adult Lifelong Learners** presents a collection of issues and research from adult education professionals who define, develop, implement, and evaluate the integration of formal and informal eLearning environments for adult lifelong learners. Academics, teachers, administrators, and learning technologists will benefit from this publication's unique approach to discussing and analyzing the challenges of introducing and implementing learning technologies for adult lifelong learners.

### Topics Covered:

- Virtual Worlds
- Adult Learning
- Semantic Web Tools
- Integration Models
- Mobile and Ubiquitous Learning
- Synchronous Learning
- Lifelong Learners' Characteristics and Learning Profiles
