

# Open and Social Learning in Impact Communities and Smart Territories

Part of the Advances in Educational Technologies and Instructional Design Book Series

Lídia Oliveira (University of Aveiro, Portugal) and Ana Luísa Rego Melro (University of Aveiro, Portugal)

## Description:

Impact communities are the places where individuals gather to contribute to the transformation of their territories by disseminating knowledge. As such, it is vital to research the use of open and social learning in contributing to the evolution of impact communities and smart territories.

**Open and Social Learning in Impact Communities and Smart Territories** is an essential reference source that discusses the learning processes in impact communities and in smart territories through case studies and other research methods. Featuring research on topics such as learning processes, smart communities, and social entrepreneurship, this book is ideally designed for entrepreneurs, managers, academicians, and researchers seeking coverage on the concept of impact communities and smart territories.
